

EMTEK. Schaub

June 20, 2023

Dear Valued Customer,

I wanted to personally make you aware of some exciting news. I am writing to inform you that Emtek and Schaub have been acquired by Fortune Brands Innovations, Inc., an industry-leading home, security and commercial building products company.

We are excited about the opportunities to come as we collaborate and grow with Fortune Brands Innovations. Their strong distribution, commitment to brands, innovation and channel, and superior execution are a powerful combination to accelerate our growth. We believe this will also have positive impacts on our relationship with you as we continue to lead the way in innovating with world-class design, product breadth and premium quality hardware.

Much of our business will remain the same. In the short term, you will not see many changes in your daily interaction with us. Specifically, there will be no changes to the following at this time:

- Company email address and contact information
- ASSA ABLOY Connect, dealer information portal
- WebShop, online ordering portal
- ASSA ABLOY Customer Video Support App

The teams at Emtek and Schaub and our operations will continue under Fortune Brands Innovations, and you will interact with your same internal contacts. We remain fully committed to you and will continue to focus on making your projects a success.

As we transition into the Fortune Brands Innovations organization over the coming months, it is important for you to know that our relationship with you is a priority for our business. You can expect the same product quality and customer service from our team, and we hope to make your experience even better moving forward. Please feel free to reach out with any additional questions.

Sincerely,

Steve Kamp

VP of Sales and Marketing
